

# Colic Calm Medical Data Sheet

Colic Calm is a unique medicinal gripe water developed specifically for the treatment of infant colic, gas and reflux.

### Key Facts and Features:

- ❑ An over-the-counter FDA-regulated homeopathic medicine (NDC Number: 13992-001-01)
- ❑ A gentle, natural alternative without the side-effects of prescription drugs
- ❑ Unlike dietary supplement (DSHEA) gripe waters, Colic Calm is FDA registered and is manufactured in the USA using the highest quality natural ingredients under strict FDA pharmaceutical guidelines and standards
- ❑ Most babies experience relief within minutes. Therapeutic improvement typically occurs within 7 days
- ❑ Used by well over 100,000 babies, it is more than 90% effective for gas, colic and reflux according to independent customer satisfaction surveys
- ❑ Available at over 7,000 CVS pharmacies nationwide (starting in July 2010). Also available at select health food stores, hundreds of retail locations nationwide and online at ColicCalm.com
- ❑ A fraction of the cost of prescription drugs. The majority of parents spend less than \$2 per day
- ❑ Contains a homeopathic blend of nine active ingredients that stimulate the body's self-healing properties

The synergistic remedies in Colic Calm provide multi-symptom relief. The active ingredients are diluted to micro-doses, making Colic Calm safe, gentle and ideal for self-treatment. It can be given when symptoms appear since it works quickly, and no regular dosing is needed.

### Active Ingredients

**Digestive Aid:** *Aloe* - Aloe Socotrina (5X), *Blackthorn* - Prunus Spinosa (5X), *Caraway* - Carum Carvi (5X), *Fennel* - Foeniculum Vulgare (5X), *Ginger* - Zingiber Officinale (5X)
